Visiting Hours

Texas Health is committed to keeping patients, visitors, and care team members safe. Our visitation guidelines aim to protect our patients and staff, while providing a safe environment for all. Normal visiting hours are from 6:30 a.m. – 8 p.m. (the front doors of the hospital open at 5 a.m.)

Visitors must:

- Keep a safe distance from others
- Follow all hospital staff instruction
- Practice good handwashing

Inpatient Services: Patients staying on our inpatient unit may have two visitors at a time within normal visitation hours who meet COVID-19 screening criteria.

Outpatient Services: Up to two support persons may be allowed, based on entity volume and capacity. No restrictions on visiting hours. Please be considerate and keep your visit brief if the patient is in pain or in need of rest. One visitor is allowed to spend the night. Each private room is equipped with a small daybed that folds out.

Dining Options

Coffee Bar – main lobby

Vending Machines – located on the first floor next to the Radiology waiting area

Restaurants

The hospital does not have a cafeteria. However, you may order from local restaurants for delivery to the hospital. Ask your care team for a list of area restaurants that deliver.

Language Services

Texas Health offers language assistance services to you at no cost. Please ask your care team for assistance.

Parking

Parking for patients and visitors is available near the front entrance of the hospital, 24 hours a day, seven days a week. All parking at Texas Health Center for Diagnostics & Surgery is free of charge.

Tobacco-Free Policy

All Texas Health campuses are tobacco-free (including e-cigarettes). This policy applies to all patients, employees, visitors and physicians on the medical staff.

Nondiscrimination Statement

Texas Health complies with applicable federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex.

Texas Health Center for Diagnostics & Surgery Plano is a joint venture involving Texas Health Resources and physicians dedicated to the community and meets the definition under federal law of a physician-owned hospital. Doctors on the medical staffs practice independently and are not employees or agents of the hospital.
